**ORDER ACCEPTING FINDINGS, CONCLUSIONS AND RECOMMENDATION  
OF THE UNITED STATES MAGISTRATE JUDGE**

The United States Magistrate Judge made Findings, Conclusions, and a Recommendation in this case. No objections were filed. The District Court reviewed the proposed Findings, Conclusions, and Recommendation for plain error. Finding none, the Court **ACCEPTS** the Findings, Conclusions, and Recommendation of the United States Magistrate.

IT IS THEREFORE ORDERED that the petition for writ of habeas corpus under 28 U.S.C. § 2241 is **DISMISSED WITHOUT PREJUDICE** for want of jurisdiction. Alternatively, liberally construing the section 2241 petition as a successive 28 U.S.C. § 2255 motion, it is **DISMISSED WITHOUT PREJUDICE** for want of jurisdiction and for failure to obtain prior authorization from the United States Court of Appeals for the Fifth Circuit to file a successive section 2255 motion. *See* 28 U.S.C. § 2255(h), 28 U.S.C. § 2244(b)(3).

The Court prospectively **CERTIFIES** that any appeal of the order dismissing the section 2241 habeas petition would not be taken in good faith. *See* 28 U.S.C. § 1915(a)(3); FED. R. APP. P. 24(a)(3). In support of this certification, the Court adopts and incorporates by reference the Magistrate Judge's Findings, Conclusions, and Recommendation. *See Baugh v. Taylor*, 117 F.3d 197, 202 and n.21 (5th Cir. 1997). Based on the Findings and Recommendation, the Court finds

that any appeal of this action would present no legal point of arguable merit and would, therefore, be frivolous. *Howard v. King*, 707 F.2d 215, 220 (5th Cir. 1983).<sup>1</sup> In the event of an appeal, Plaintiff may challenge this certification by filing a separate motion to proceed *in forma pauperis* on appeal with the Clerk of the Court, U.S. Court of Appeals for the Fifth Circuit. *See Baugh*, 117 F.3d at 202; FED. R. APP. P. 24(a)(5).

Additionally, insofar as Petitioner appeals the dismissal of the section 2241 petition, construed as a successive section 2255 motion, the Court prospectively **DENIES** a certificate of appealability. Considering the record in this case and pursuant to Federal Rule of Appellate Procedure 22(b), Rule 11(a) of the Rules Governing Sections 2254 and 2255 Proceedings in the United States District Court, and 28 U.S.C. § 2253(c), the Court adopts and incorporates by reference the Magistrate Judge's Findings, Conclusions and Recommendation filed in this case in support of its finding that the petitioner has failed to show (1) that reasonable jurists would find this Court's "assessment of the constitutional claims debatable or wrong," or (2) that reasonable jurists would find "it debatable whether the petition states a valid claim of the denial of a constitutional right" and "debatable whether [this Court] was correct in its procedural ruling." *Slack v. McDaniel*, 529 U.S. 473, 484 (2000).<sup>1</sup>

---

<sup>1</sup> Federal Rule of Appellate Procedure 4(a) governs the time to appeal an order. A timely notice of appeal must be filed even if the district court certifies an appeal as not taken in good faith.

<sup>1</sup> Rule 11 of the Rules Governing §§ 2254 and 2255 Proceedings reads as follows:

**(a) Certificate of Appealability.** The district court must issue or deny a certificate of appealability when it enters a final order adverse to the applicant. Before entering the final order, the court may direct the parties to submit arguments on whether a certificate should issue. If the court issues a certificate, the court must state the specific issue or issues that satisfy the showing required by 28 U.S.C. § 2253(c)(2). If the court denies a certificate, the parties may not appeal the denial but may seek a certificate from the court of appeals under Federal Rule of Appellate Procedure 22. A motion to reconsider a denial does not extend the time to appeal.

SO ORDERED this 23 day of May, 2016.

  
BARBARA M. G. LYNN  
CHIEF JUDGE

---

**(b) Time to Appeal.** Federal Rule of Appellate Procedure 4(a) governs the time to appeal an order entered under these rules. A timely notice of appeal must be filed even if the district court issues a certificate of appealability.
